Charitable Pledge: St. Francis and other local churches are tending garden plots in order to provide fresh produce for the Lebanon Caring Center.

- In order to help with this initiative, we ask that all who lease a garden plot consider donating 10% of their harvest to those in need. We suggest donations be made to the Caring Center.

St. Francis Garden Rules:

- No unattended children or dogs; dogs should be on a leash and you are expected to clean up after your dog.
- No gardening after dark.
- No unattended sprinklers or drip irrigation; hand watering is okay.
- Use of the church restrooms is permitted during business hours (M-F, 9 am – 3 pm).
- No smoking or alcohol on property.
- No landscaping felt or fabric (suggested alternatives: cardboard, newspapers, straw, grass clippings).
- No driving or parking anywhere in the grassy areas.
- Plots in row A will be gardened without the use of chemicals. Plots in row B may be gardened with conventional means, including spot treatment of herbicides and insecticides.
- If you have not planted your plot by June 30th, the church may reallocate your plot. An attempt will be made to contact you before the reallocation.
- If weeds grow above approx. two feet high, you will be notified by e-mail and given 1 week to tend to your plot. If this doesn't happen, the garden plot will be mowed, tilled and the plot may be reassigned and you will forfeit your fee and deposit.
- By October 30th, all non-organic things need to be out of the plots, including tomato cages, string, and tools. Anyone who does not clear their garden plot(s) will forfeit their deposit and they also risk losing their priority for getting the same plot(s) next season.

PLEASE NOTE: the fields surrounding the gardens are church property and will be maintained as the church sees fit. The church may decide to employ chemical methods to control invasive plants in small targeted areas only. Gardeners will receive advance notification of any such occurrence.

By signing this, I confirm that I have read and understood this document in its entirety and that I agree to follow all the listed rules. I understand that I am assuming any and all risks associated with using a garden plot at St. Francis in the Fields. I will not take any actions whatsoever, including legal action, against St. Francis, or anyone associated with St. Francis, for death, disability, personal injury, illness, or damage to my property that may occur while I engage in activities directly or indirectly connected to the St. Francis garden. I will hold harmless, and indemnify St. Francis, or anyone associated with St. Francis, for liabilities or claims that might result from my activities directly or indirectly connected to the St. Francis garden.
